

**AUDIO ENHANCEMENT®**

Solutions to Optimize Education

## Special Invitation

# Melissa Jackson

at **AUDIO ENHANCEMENT, Inc.**

You are cordially invited to Audio Enhancement's Salt Lake City headquarters to attend a special presentation by Melissa Jackson from Newton County School System.

Newton County Schools just won the Gold level Learning Impact Award from IMS Global, for implementing Audio Enhancement's VIEWPath, beating 700+ other submissions worldwide.

*Melissa Jackson* is the Instructional Technology Coordinator at Newton County School System in Georgia. A year ago, Mrs. Jackson and her colleagues implemented VIEWPath in 552 classrooms across the district. After just six months, the district discovered that:

- Discipline referrals dropped by 58%
- Teachers sought peer review on their lessons
- Students reviewed class lectures at home
- From January to March alone, VIEWPath recordings were viewed 26,250 times.

On June 3, 2014, Mrs. Jackson will be *on-site* at Audio Enhancement headquarters to take you on a virtual tour, explaining how they have implemented VIEWPath with EduCam360 systems in their district.

- 10:30 AM Presentation
- 12:00 PM Lunch provided

If you would like to be present at this one-of-a-kind presentation, RSVP by Wednesday, *May 28th* to Chelsea.Cannon@AudioEnhancement.com. RSVP early to reserve your seat.
